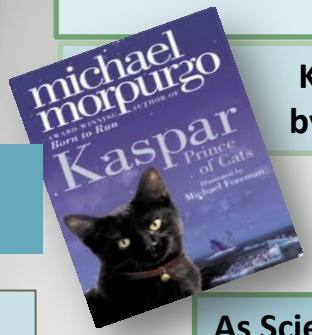
Year 6 Topic web ~ Spring 1- Summer 2
Will we ever see the water we drink again?



Kaspar Prince of Cats by Michael Morpurgo.

In preparation for SATS, we will be revising this term.

As artists we will develop our sketching and painting techniques.

As mathematicians we will: work on ratio, geometry and statistics.

As design technologists we will: Design our own Titanic or lifeboat.

As musicians we will: Continue with our vocal coaching lessons

As Scientists and Geographers we will continue to question:

- Why is water a major necessity in any village, town or city?
- How does rainwater form in the first place?
- Why do some places go for a long time without rain and others have too much rain?
- How is water used to help provide energy to many places?
- What happens to the water in our home once it disappears down the sink?
- The journey taken by the

As readers we will: concentrate on the skills needed to access the SATs test. We will also read independently for half an hour per day. Guided reading lessons will be linked to The Titanic.

As physical learners we will: work on team games (rounders).

As writers we will: concentrate on Grammar, Punctuation and Spelling. As well as: Narratives, Newspaper reports and Flashback Stories.
We will also edit our previous written pieces in order to improve them.

In Maths we will be revising and developing our knowledge of decimals, percentages, shapes, ratio and measurement

As language learners: we will continue to learn French. **As religious learners:** we will continue to learn about Sikhism.
