

Governor Updates

Full Governing Body Meeting: 14th May 2015

The full governing body (FGB) meeting for Russell Hall Primary took place on Thursday, 14 May 2015. As a result it was agreed that we would share three items that were discussed as part of that meeting.

1. There are two new governors; staff governor Neil Clarke who currently teaches in year four and a new partnership governor Matthew Bibby, works for Bradford council.
2. The FGB is submitting a planning application for new fencing to go on the outside wall in an effort to improve the safety for the young children are play outside.
3. The Governors are working towards the governor mark which is the quality standard approved for Governing bodies.
