

25th July 2017

Dear Parent/Carer

During the next school year, we will be taking part in 2 sponsored sporting events. The events will be a circuit training session with a Samoan International Rugby player in which the children will also learn the 'HAKA' and the other will be the Bradford City penalty shootout.

The school understands that this can be a lot of money, so if you only decide to get sponsors for one event that is fine. If your child does not get any sponsors they will still take part in both events.

The first event taking place is the circuit training with the Samoan international rugby player and this will take place on 1st November 2017 and the Bradford City penalty shootout will be held sometime in June 2018.

More information and sponsor forms will be sent out at a later date. Any problems please feel free to contact school.

Thank you for your ongoing support.
