

As mathematicians we will be consolidating our knowledge of place value and begin to develop formal written calculation skills for addition and subtraction.

As writers we will be looking at a story called 'The Happy Prince' and use this as a model to write our own narrative. We will also practise our spelling, punctuation and grammar skills.

In computing we will begin to develop our coding skills

THE VICTORIANS

In Physical Education Class 3 will learn to develop their football skills.

CLASS 3 – SEPTEMBER 2017

As historians we will be looking at the cultures, customs and traditions of the Victorian period. This will include Victorian inventions and what it was like to be a child in Victorian Britain.

In art we will be making a Victorian chimney sweep collage and design our own Victorian wallpaper!

As scientists we will investigate magnets and forces. This will include exploring different magnetic and non-magnetic materials and using our knowledge about forces to design a game.
