

As French speakers we will continue to develop our French vocabulary and our conversational skills.

As geographers we'll be investigating the question:  
*What's so special about the USA?*

As authors we will be writing narrative stories with a space travel theme.

As mathematicians we will be revising and extending our understanding of place value, addition and subtraction.

## To Infinity and Beyond!

**Year 5**  
**Autumn 1**

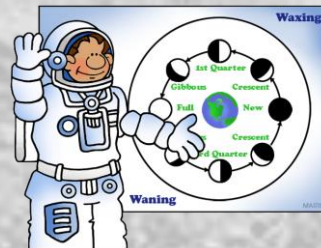

As scientists we will be investigating our solar system and the forces at work in space.

As computer programmers we will be using software to create animations.

As musicians we will begin our tuition in Samba on Friday mornings.

As historians we will be looking at the Moon Landing and studying space travel through recent history.

As artist we will be exploring different mediums while relating to the different planets and their appearance.

As theologians, we will be studying the Buddhist faith and comparing it to other world religions.

As athletes we will begin our swimming lessons on Tuesday afternoons.

On Wednesdays we will be developing our team game skills with Mr Sykes.
