## Class 5 - National Science & Media Museum Trip

Dear Parents/Carers,

I have booked a trip to The National Science and Media Museum in Bradford on **Monday 2<sup>nd</sup> October 2017** as there is a visiting Space Exhibition which will include the actual Space Shuttle used by Tim Peake in his return to Earth from the ISS!

As the museum is free, there is no cost for the trip. We shall be using public transport to get to Bradford and the cost of this will be covered by school.

We will leave in the morning after school has started and return before the end of the school day, with sometime to explore the rest of the museum.

All children will need to take lunch with them. Please indicate below if you would like school to provide a packed lunch.

Thank you for your continued support,

Neil Clarke  
Class Teacher
