

29<sup>th</sup> September 2017

Dear Parent/Carers

Our topic next term is based around the topic 'Could you be the next CSI investigator?', through this we shall be looking at the gunpowder plot as a history focus but our leading subject will be science, particularly the kind of science used by forensics to solve crimes. I'm very excited!

I have booked a trip to 'Think Forensic' in Huddersfield where the children will spend their time being forensic investigators! They each get their own white scene of crimes suit and work in groups to solve crimes using a range of technology and forensic techniques.

The trip is on Monday 20<sup>th</sup> November 2017 and we will be travelling by coach.

Children need to be in their full uniform and to be at school at the normal school time 8.50am. We will be back to school for 3.10pm.

A packed lunch and drink will also be required, all in a disposable bag, as we will be throwing it away. If your child would like a school packed lunch, please let school know.

The cost of the trip including coach travel is £17.

We rely on your financial support in order to make the visit viable. If you choose not to contribute this will not lead to your child being excluded from the trip, but however it may lead to us cancelling the visit. Under the terms of the Education Reform Act (1988) we are not able to charge for educational journeys (transport/insurance/entry fees) which occur during school time.

Thank you for your continued support.

Mr Clarke
