

As writers we will be developing our knowledge of Narratives and poetry.

As Historians we will be investigating the Norman invasion and it's impact on British society.

As mathematicians we will be developing our knowledge of multiplication and division and consolidating our understanding of Addition and subtraction and place value.

Why were the Norman castles certainly not bouncy?

As designers we will be investigating and making Norman Castles.

In Physical Education we will be developing our cross country, team games and gymnastic skills.

As language speakers we will be developing our knowledge and understanding of French vocabulary.

In Religious Education we will continue to develop our understanding of Judaism.

Year 4 October 2017

As computer programmers we will develop our knowledge of coding.

As Scientists we will be focusing on electricity, asking the question 'how could you cope without electricity for one day?'

In Music we will be developing our recorder skills.
