## Parent/Carer Phonics & Grammar Workshops

Dear Parents/Carers,

We would like to invite you to our Phonics and Grammar Workshops on Wednesday 29<sup>th</sup> November 2017, after school.

In each class there will be activities relating to that year group's English Curriculum and useful information that you can take away to support your child at home.

The workshops will run on a drop-in basis from 3:15 to 4:15pm. You are free to attend in different classrooms and there is no need to book a slot but please send back the slip attached to let us know if you're planning to attend.

Many thanks for your continued support,

Mr Clarke  
English Leader
