

Class 6 - Homework Menu:

What does the journey through your body look like?

Plague Topic - Spring term 1 January 2018

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
1 point <u>Must complete to gain extra points for optional homework.</u>	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:	Maths Spelling. Daily reading:
2 points (Optional)	Paint or decorate your face as if you have the plague. Take a photograph. Email it to me or post it on our class story. (Make it gruesome!)	Design your own disease! What does it look like? What cells in your body does it attack? How can you tell you have it? What are the symptoms? 	Make a warning poster to warn people about the plague Be creative! E.G. You could stain your paper to make it look very old.	Compare The Great Plague to the recent outbreaks of Ebola or Zika virus'. 	Make a time line or flow chart of how the plague spread. 	Make a 'Ring 'o' Roses' It could be a 3D model, a painting, a drawing, a cake, a pizza! Anything goes...BE CREATIVE!	Make a 'nose gay' 
3 points (Optional)	Writing: Research the village of Eyam and make a ONE page presentation. This could be a labelled drawing, a map, a written report or any other form of information presentation.	Write a diary entry from someone suffering from the plague.	As a scientist, write an explanation text about the fleas and the rats and how they carried the plague.	Write a diary of a plague victim. It could be linked to our class novel.	Write a biography about Edward Jenner	Who do you think you are? Research your family tree. How many different countries did your ancestors come from?	Write a prescription as if you are a plague doctor prescribing a cure for the plague for your patient.
