

11th January 2018

Dear Parent/Carer

Speech and Language Parent Workshop, Tuesday 16th January 3:15-3.45

Nursery and Reception classes only

You may be aware that as part of our provision for special educational needs, we commission the services of a speech and language therapist- Hannah Bond, to work directly with school and a small case load of pupils. Hannah also supports staff with establishing appropriate speech and language support programs and links for pupils attending speech and language clinics.

On Tuesday 16th January, Hannah will be holding a short workshop focusing on speech and language in the Early Years. Hannah will be discussing;

- Speech sound development
- Language acquisition and development
- Stammering
- How language development is encouraged at school
- Ideas for supporting your child at home

In addition, there will be time for you to ask questions that you may have about your child's speech and language development.

Early Years staff will be available to look after your child whilst you attend the meeting.

This workshop is aimed for **all** parents of pupils in the Early Years to support your understanding of how language develops throughout the Early Years. Please come along as this is a fantastic opportunity to meet Hannah and ask any questions that you may have regarding your child's speech and language development.

Please indicate your attendance on the form below.

Yours faithfully

H Higgs
