

**As Writers and Readers we will focus on:**

Listening and responding to stories. Reading 'The Lighthouse Keepers Lunch.' Talking to people who help us in school and meeting some policemen and firefighters. We will be writing lists and recounts of things we have done. We will be looking at non fiction texts and sharing books. We will continue to learn letter sounds and use these in our reading and writing. In Nursery we will be particularly making sure we hold our pencils correctly. In Reception we will be writing in simple sentences and learning to write the tricky words.

**As caring people we will be:**

SEAL - Good To Be Me - we will learn the 'Good to be Me' song.

Discuss how we can help other people and our friends in school. We will be polite and well-mannered and look after our classroom.

**As people aware of the world we will be:**

Looking at different occupations of people we know and people we don't know.

**As Scientists we will be:**

Looking at recognising some of the different jobs people do and how they help us in our daily lives.

We will be baking and cooking and looking at the changes that happen to food - then eating!

Crossing the road safely is very important so we will be looking at the safest ways to do this and who can help us.

We will be using cars to investigate different ramps to discuss why they make some cars go faster or slower.

**FOUNDATION STAGE -  
PEOPLE WHO HELP US**

**February/March 2018**

**As Mathematicians we will be:**

Continuing to learn to recognise numbers and to be able to count. We will be adding and subtracting and also halving and sharing. We will be working with numbers up to 20.

We will be sorting for various criteria and trying to solve some simple number problems.

We will be comparing weights and balancing objects especially when we bake.

**As Adventurers we will be:**

Making sure we hold our pencils correctly.

We will be looking at maps, Google - street view - and then drawing our own.

We will work in the outside areas to build dens for our friends and to investigate water and sand.

Keeping fit and healthy is important so we keep active and continue to eat our fruit and vegetables.

**As Creative People we will be:**

Mixing paint colours is fun but we also learn about texture and how to make different colours. We will be using pencils and pastels to draw people who help us and sing songs about them too.

We will be making music with the percussion instruments and taking our 'bands' into the outside areas.
