

As mathematicians we will be working on statistics. We will also link our topic work to investigate measures; journeys made by the Vikings.

As historians we will be investigating the impact that the Vikings had on Anglo Saxon life and on life today.

As geographers we will investigate the journey made by Viking warriors, to our shores.

As Artists and designers we will be investigating Viking art.

Class novel:
Shackleton's
Journey -
William Grill

**Year Six topic: Were the Vikings
really Vicious and Victorious?**

As writers we will be writing a range of different texts. We will write myths and Legends in relation to our topic and non-chronological reports about the Vikings. Grammar will focus on subjunctive form, adverbials and using punctuation for effect.

As athletes we will be working on our team games.

As computer programmers we will continue to study e-safety., and we will make short films.

As scientists we will be investigating Electricity - Could you be the next Nintendo Apprentice?

As musicians we will have singing lessons from a professional singer.

As readers we will investigate texts about Journeys. Guided reading will lead writing. We will use Shackleton's Journey - William Grill, The Journey - Aaron Becker, Tuesday - David Wiesner, The Promise - Nicola Davies and Where My Wellies Take Me - Michael and Claire Morpurgo.

In PSHCE we will discuss rules and society.

As language learners we will be studying French.

As religious scholars, we will be looking at similarities and differences in different faiths.
