

As designers we create our own camouflage tanks to cover our programmable robots.

As scientists we will be investigating the question "How different will you be when you are as old as your grandparents?"

In English we will be using our narrative writing skills to write evacuation stories. We will also write biographies from the viewpoint of an evacuee.

As Geographers we will study Europe and how the War spread across the continent.

As theologians we will continue to study and compare the major religions of the world, deepening our understanding and respect for different opinions and traditions.

**WAR!**  
WHAT IS IT GOOD FOR?

As historians we will study the rise and fall of Hitler; how he came to power and commanded Germany before and during WW2.

In computing we will use programmable robots to create our own European Tank battle!

**Year 5 – Summer 2**

In PE we will enhance our athletics skills as well as learning striking and fielding games.

As musicians we will continue to learn to play as a Samba band – adding the skills of dynamic and tempo to our compositions.

As mathematicians we will be working on our skills in geometry, statistics and position, direction and movement.
