

As mathematicians we will be working place value, addition and subtraction.

As historians we will be investigating the impact that the Anglo Saxons had upon life in England from their arrival to The Battle of Hastings.

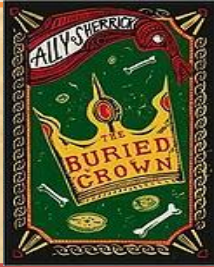

As geographers we will investigate where the Angles and the Saxons came from and look at Saxon settlements.

As computer programmers we will make documentaries about Anglo Saxon life.

Class novels: Beowulf and The Buried Crown.

As language learners we will be studying French.

## Year 5

Autumn 1 topic:

Were the Anglo Saxons really smashing?

As readers we will investigate texts about the Anglo Saxons and Alfred the Great We will read and discuss how the Saxons brought law and order to Britain. We will use our class novels to extend our knowledge of Angles and Saxons.

As religious scholars, we will be looking at a variety of religions and we will study how the Angles were instrumental, though the monks on Lindisfarne, in the birth of Christianity in Britain.

As writers we will be writing a range of different texts. We will write information texts about the Saxons and King Alfred, non-chronological reports and narratives.

As scientists, we will investigate forces (catapults)

As athletes we will be working on ball skills.

As musicians we will be learning to play brass instruments.

As Artists and designers we will be investigating Anglo Saxon art and making jewelry.

In PSHCE we will discuss rules and society.
