

As Writers and Readers we will focus on:

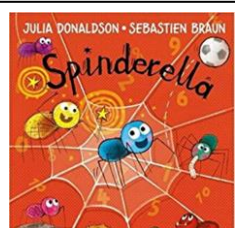

Listening and responding to stories.

Reading 'Owl Babies', Spinderella, Cave Baby.

We will be developing our listening skills throughout everything we do. We will be looking at non fiction texts and sharing books.

We will continue to learn letter sounds and use these in our reading and writing.

In Nursery we will be particularly making sure we hold our pencils correctly and beginning to learn how to write our names. We will be learning how to trace and to copy write about our own experiences, things we like and our families. In our home corners we will be using our imagination to pretend different scenarios eg. grandma is coming for tea - we better get ready!

As caring people we will be:

SEAL - New Beginnings- we will also learn the 'Good to be Me' song.

Discuss how we can help other people and our friends in school.

We will be polite and well mannered and look after our classroom.

We will have circle discussions about issues in the classroom.

As people aware of the world we will be:

Looking at different people from around the world and reading stories - Handas Surprise. We will look at books with children from different cultures and religions. We will also be reading Noahs Ark and looking at the animals.

As Scientists we will be:

Looking at recognising and naming some of our body parts.

We will be baking and cooking and looking at the changes that happen to food - then eating! We thought 'PEOPLE' biscuits would be tasty!

The sand and water areas will be used for exploring floating and sinking. This topic is useful for discussing similarities and differences between ourselves and our likes and dislikes. We might ask for some photos of your children when they were younger and discuss how they have changed over time.

As Mathematicians we will be:

Continuing to learn to recognise numbers and to be able to count orally in order to 10 and 20 and also to count objects 1-1.

We will be sorting for various criteria and trying to solve some simple number problems.

We will be comparing weights and balancing objects especially when we bake.

We will be drawing round our hands and feet to compare sizes and making repeating patterns, looking at size and shape.

Nursery and Reception will be learning the names of some shapes.

As Adventurers we will be:

Making sure we hold our pencils correctly.

We will be looking at maps, Google - street view - and looking at our own houses.

We will work in the outside areas to build dens for our friends and to investigate water and sand.

Keeping fit and healthy is important so we keep active and continue to eat our fruit and vegetables.

As Creative People we will be:

Mixing paint colours is fun but we also learn about texture and how to make different colours.

We will be using pencils and pastels to draw ourselves and our families and friends.

We will be making music with the percussion instruments and taking our 'bands' into the outside areas.

FOUNDATION STAGE

ALL ABOUT ME

SEPTEMBER 2018
