

In our writing lessons we will be looking at how to write an information text on volcanoes and earthquakes.

In mathematics we will be learning about multiplication and division.

As scientists we will be learning about forces and magnets and asking the question: *Are you attractive enough?*

In physical education we will be learning all about basketball including movement, coordination and how these fit together.

*What makes the Earth angry? Class 3*

We will be asking this question in Geography.

As part of our enrichment we have planned a trip to Bradford Media Museum and the theatre.

In design and technology we will be making a volcano!

In RE we will be looking at how faith communities demonstrate what is sacred.

We will be developing our language skills when we continue to learn French. We are making good progress.
