Dear Parents of Year 5 pupils

Our Class 5 children have been chosen to take part in a singing project (Across the Borders Vocal Project) with 3 other Primary schools in the local area (Year 5 classes only).

This will involve a vocal coaching session once a month, with a teacher from the Music & Arts service, and a final performance with pupils from all six schools at the Square Chapel, Piece Hall, Halifax on Tuesday 9th July 2019.

I'm sure this will be a very exciting project and a great experience for our pupils. I will send more information out nearer the performance date.
