

In our writing lessons we will be looking at how to write an explanation text. We will explore how a robot dog works.

In mathematics we will be learning about money, statistics, length and perimeter.

As scientists we will be learning about plants, asking the question: ***How did that blossom become an apple?***

In physical education we will be learning how to play basketball.

Who first lived in Britain? Class 3

In computing we will be studying algorithms using a range of apps.

In PSHE we will be learning how to keep ourselves safe and helping others to stay safe.

For enrichment we will be visiting the Yorkshire Farming Museum.

We will be studying fiction and non-fiction texts surrounding E-safety.

As creative artists, we will be creating cave art.

In RE we will be finding out about what makes certain places so special.

In French we will be trying to improve our confidence when speaking and reading.
