

In our writing lessons we will be looking at poetry and newspaper reports.

In physical education we will be learning how to play cricket.

In PSHE we will be learning about growing and changing.

As creative artists, we will be creating cave art.

In mathematics we will be learning about fractions, angles and shapes.

Who first lived in Britain? Class 3

In French we will be trying to improve our confidence when speaking and reading.

As scientists we will be learning about plants, asking the question: *How did that blossom become an apple?*

We will be studying fiction and non-fiction texts surrounding the Stone Age to Iron Age.

In RE we will be asking: 'How do believers use symbolism to show their beliefs?'
