

Thursday 12th March 2020

Dear Parent / Carer,

As you will have heard on the news today Ireland have now closed their schools in response to the Coronavirus outbreak.

The school wants to reassure parents that we have had no confirmation from Public Health England that any member of staff or pupil has tested positive for Coronavirus. Pupils are expected to attend school as normal until we are instructed otherwise.

However, we are preparing in the background for the possibility that schools may be forced to close. With this in mind we want to make sure that we are able to stay in communication with families and pass on information about learning from home.

The best format we have for this at our school is clasdojo because it provides two way messaging between parent and teacher. Most parents are already signed up but if you are not, you will be receiving an invitation to join. If for any reason you cannot use clasdojo, please speak to school so that we can set up an alternative method of communication with you.

We will continue to keep you updated with next steps as we receive further information.

Kind regards

Mrs A Grist
Headteacher
