

As artists we will be designing underpants for Aliens!

As designers, we will design and make transport to help the Aliens get back home.

As theologians we will begin to study some of the major world religions, with a focus on special items and festivals.

In computing we will make simple games with a space alien theme. We will also use green screens to make mini alien movies.

In PE we will enhance our team skills in games and practice our athletic skills.

As scientists we will be asking the question 'What would Aliens think of life on Planet Earth?' We will investigate materials and describe their properties.

THE WAY BACK HOME

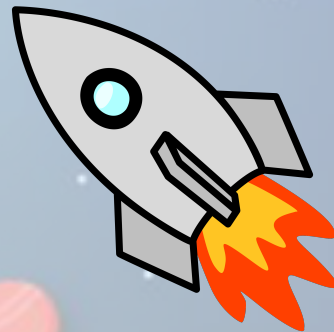

CLASS 1 – AUTUMN 1

In music we will use our voices and a range of instruments to investigate pitch and rhythm.

In English we will be using our narrative writing skills to re tell familiar stories. We will also make fact files about famous astronauts.

We will be using the book 'The Way Back Home' by Oliver Jeffers to theme all of our work this half term.

In geography we will look at transport and journeys. Recommending trips and visits to our Alien friends.

As mathematicians we will be working within 10 to count, order, compare and represent numbers. We then relate this knowledge to addition and subtraction facts up to ten.
