

As mathematicians we will develop formal written methods for multiplication and division. We will also learn about equivalent fractions and how to add and subtract fractions.

As historians we will be investigating the early lawmakers and how the criminal justice system has changed over time.

As writers we will use *The Wolves in the Walls* as a model for our writing. We will also learn the skills needed to write a diary entry from the Tudor times.

In PSHCE we will learn about democracy

WHO WERE THE EARLY LAWMAKERS? CLASS 4

In Religious Education we will learn how faith communities demonstrate what is sacred.

As language speakers we will be developing our knowledge and understanding of French vocabulary.

As computer programmers we will develop our knowledge of coding and variables.

As Scientists we will be learning about animals including humans. We will investigate the causes of tooth decay and learn about the different parts and functions of the human digestive system.

In Music we will continue to have brass tuition.

In Physical Education we will be developing our netball skills.
