

### **Lucy Bailey**

I joined Russell Hall Primary School in November 2020 as the new Deputy Headteacher. I have been teaching for 12 years working in a number of schools across Kirklees, Calderdale and Bradford. At my previous school I was the acting Deputy Headteacher for a year and recently completed my NPQH.

As well as my role as Deputy Headteacher, in school I lead on Early Years, Assessment, Pupil Premium, EAL and I am the Nursery Class Teacher.

I have three dogs which I love and spend a lot of time walking them and visiting different places where they can run and explore. I love going to the gym and running which I do most days. I enjoy reading with a particular interest in materials which support the learning of young children.
