

MATHS

We will continue to develop counting skills and count in 1's 2's 5's and 10's forwards and backwards. We will begin to recognise and use multiplication and division using lots of different resources and representations..

English

Reading

We will continue to enjoy our class books (changed each week) for quiet reading in the classroom. We will continue to read books and develop decoding skills and the ability to answer questions about what we have read.

Writing

We will look at writing a narrative based on The Queen's Hat by Steve Antony

PE

We will enhance our team skills and continue to learn skills for Athletic games.

MUSIC

We will investigate rhythm and pulse in the use of percussion instruments.

GEOGRPAHY/HISTORY

Investigate the lives of significant individuals in Britain's past who have contributed to our nation's achievements

Use aerial images and maps to recognise landmarks and basic physical features - and their changes over time.

Class 1

Who was famous when our Mum and Dad were little?

COMPUTING

We will learn how to use our personal log in details to log in to chrome books.

We will continue to develop our CODING skills and look at further INPUTS.

DESIGN & TECHNOLOGY

We will continue to work on mechanisms and make a moving animal.

ART

We will look at portraits and how we use colour/size/shape

SCIENCE

Identify and name a variety of common animals, including fish, amphibians, reptiles, birds and mammals.

PSHE

Our focus will be Rights and Responsibilities. We will use SCARF resources to help us learn about Harold's money/taking care of things and basic first aid.

We will continue to use our MOOD MONSTERS to help us explain our feelings and talk about these with others.
