

As mathematicians we will be developing our knowledge of multiplication and division. We will also do some work on length and perimeter.

As historians we will be investigating the Norman conquest and its impact on Britain.

As writers we will use a Pixar animation as inspiration to write a narrative. We will continue to develop our spelling, punctuation and grammar skills.

Class 4

Why were Norman castles certainly not bouncy?

In Religious Education we will try to understand what different people believe about God.

As language speakers we will be developing our knowledge and understanding of French vocabulary.

In Music we will continue to have brass tuition.

As computer programmers we will develop our knowledge of coding.

As Scientists we will be learning about electricity. We will investigate conductors and insulators, building circuits and learn how to use circuit symbols.

In Physical Education we will be developing our netball skills.
