

As mathematicians we will be working on becoming fluent, reasoning and answering increasingly difficult word problems about the four operations and fractions

As historians and geographers, we will be investigating slavery in the Ancient Benin civilization, moving to exploring the trade triangle between Africa, America and Britain. We will then investigate the civil rights movement.

As scientists we will be studying light and electricity!

As language learners we will be studying French with Mrs. Jackson. We will also learn about the Sikh religion with Mrs. Jackson.

Year 6 Should the world be ashamed of slavery?

As Artists we will continue to develop our clay skills.

As musicians we will have singing lessons, every week.

As computer programmers we will study e-safety and coding.

As readers and writers, we will base our work around A Monster calls and Harry Potter and the Philosopher's stone - particularly concentrating on characters - especially the house elves - who were enslaved by the wizarding community.

We will write character descriptions, narratives and non-chronological reports.

We will also write geographical and historical accounts of slavery through the ages.

Class novel:
Harry Potter and the Philosopher's stone, A Monster calls.
