Dear Parent/Carer

Nativity DVD 2021

Due to the huge success of the DVD's last year and the feedback from parents, we have once again commissioned a videographer who is going to come to school and film the Nativity on the morning of the 8th December in the Church. Last year we were able to heavily subsidise the cost of the DVD, unfortunately this year the cost of the DVDs will be a little more expensive but still reasonably priced at £4.50 each.

The DVDs can be purchased directly through Parent Pay. The last day to pay will be Monday 6th December.

I am sure they will be a great little stocking filler for Grandparents and family members as well as a lovely keepsake for yourself.

Thank you for your continued support.

Miss L Bailey
