

Nick Gadsby

I have a passion for young people achieving and thriving in a school setting. I currently work at Trinity Academy Bradford, as Curriculum Leader for EBACC subjects (Geography, History, Spanish and Religious Studies). I welcome the opportunity to become a governor at Russell hall Primary to work in partnership with a local primary school and offer my skills as a teacher and leader within a school. I have a passion for teaching and learning and curriculum, as I believe these are the mechanisms that allow children to flourish at school. I am looking forward to finding out about the workings of Russell Hall.

I have worked in schools in Bradford, Leeds and Calderdale over the course of my career, and I believe that this will allow me to bring a critical eye to the governing body.

I grew up in Bradford, and after living in Glasgow to complete my degree, I moved back to Bradford, and now I have 2 children, one whom is in Year 1 and one who is in nursery.
