

Y3 summer topic

How did the Victorian period help to shape the Queensbury that we know today?

In writing lessons, we will be writing poetry (sounds) using the sounds of the mill for inspiration.

Our class novel is Street Child by Berlie Doherty.

In Mathematics lessons, we will calculate with fractions and we will measure time.

In Geography lessons, we will study the locality of the school to describe how the area has changed over time.

In R.E. lessons, we will read Christian Biblical stories to find out how these shape the way Christians act.

In History lessons, we will be looking at how the Victorians shaped the locality. (Black Dyke 1855)

In Guided Reading lessons, we will read about Queen Victoria, John Foster and Mary Seacole.

In Science lessons, we will continue to work on magnets and forces.

In P.S.H.C.E lessons, we will look at identity, society and equality to celebrate difference.
