

## MATHS

We will be working within 10, counting, ordering and representing numbers. We will use these facts to support our understanding of addition and subtraction. We will use new resources to support our counting skills.

## SCIENCE

We will be looking at the materials from which objects are made. We will use the appropriate vocabulary to describe them. We will be comparing features of objects - hard, soft, shiny, dull, flexible. We will be designing a collage of our own alien using different paper types and fabrics.

## COMPUTING

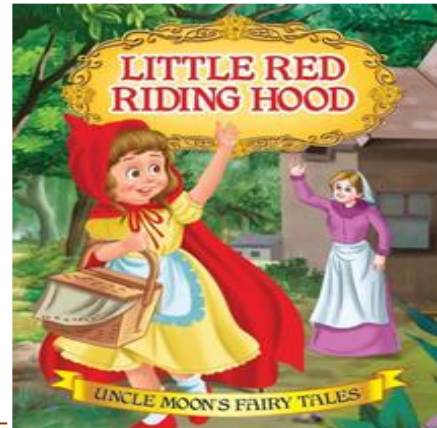

This half term we will look at CODING - we will learn vocabulary for direction to support our learning and managing keys on a keyboard.

## ENGLISH

### WRITING

In writing we will begin to use our knowledge of words in writing to develop our sentences with the use of adjectives and capital letters and full stops in our story writing - Little Red Riding Hood. We will also be writing a character description in our story Last Stop on Market Street. In reading we will continue our daily phonic journey, consolidating Phase 3 and working on blending skills in Phase 4. Books in our shared area can be enjoyed each day.

## AUTUMN TERM 1 2022 CLASS ONE

### ART

We will be using junk modelling in our sculptures to create a house for Grandma in our story. We will plan, make and evaluate our design.

### HISTORY

We will investigate how people travelled differently in the past.

### GEOGRAPHY

We will say what we like/don't like about our locality.  
We will ask questions about our locality  
We will describe our locality using words and pictures.

## PE

We will be enhancing our team skills and begin to understand fair play in games. We will build on the skills we have been practising in Reception.

## RE

We will investigate the question - Can you tell what someone believes by the way they look?

## MUSIC

We will use CHARANGA and a unit "Hey you" to help our understanding of pulse. We will be learning new songs for our topic.

## PSHE

Our unit will be based on ME AND MY RELATIONSHIPS.
