

June 2023

Dear Parent/Carer,

This year the children will take part in one full day of transition, where they will move up to their new classes, meet their new teacher and have the opportunity to find out all about what next year will be like. The transition day will be **Tuesday 11th July**.

The current Year 6 children will be taking part in either their new high transition activities in school.

On this day, please drop your child off at the **usual time** and in the **usual place**. Your child's class teacher for next year will collect them from this place and take them to their new classroom. The children will work with their teachers and support staff for the next year, giving them the opportunity to get to know your child a little and for your child to get to know them.

Your child will be brought out at the end of the day by their **current** class teacher. They will be collected from the usual place at the usual time for their **current** year group.

Your child's new class teacher will be setting up a new 'class' on ClassDojo, in preparation for next year. This will allow them to post information for you and for you to communicate with them. If you have any sensitive information that you would like to discuss with your child's new teacher, please would you make a separate appointment via the school office, to speak to them privately.

The classes for next year will be staffed in the following way:
