

Emma Jean-Baptiste

I'm Mummy to child in year 3.

I have only lived in Queensbury for 8 years, but have involved myself in lots of community activities to get to know the village. I own a beauty salon near the Cop, which I'm very proud of.

I was previously the Treasurer of Friends of Russell Hall Primary, and was involved in organising the Jubilee event in the park, to raise money for resources for each class.

I am now the Treasurer of Friends of Russell Hall Park community group, and we work alongside our school to give our kids a lovely green space for education, and play.

I am a Parent Governor because I am committed to the Community development and the role the school has within the village.
