

Governor Profile

Name: Matthew Lugg

Type of Governor: Staff Governor

Why I want to be a Governor at Russell Hall: Russell Hall is a fantastic school and it's a real privilege to work with such amazing staff and children. Through my role as a Staff Governor I hope to improve the overall education that pupils receive. It is an excellent opportunity to contribute to the overall vision and development of the school.

Background: I have been a teacher at Russell Hall since September 2016. I have also taught in a number of schools across the Leeds and Bradford district.

Skills and areas of interest: I am the subject coordinator for Science and Computing and have worked with staff over recent years to develop a bespoke science curriculum for our school. I have previously held a TLR for leading science in a large three-form entry primary school.

Hobbies: In my spare time I enjoy going to the theatre, eating out and walks in the countryside. I enjoy travel and visiting different countries.
