

Governor Profile

Name: Lucy Bailey

Type of Governor: Staff Governor

Why I want to be a Governor at Russell Hall: As Deputy Headteacher of the school the role of Governor comes as part of this. Being part of the Governing Body enables me to share my knowledge of the school and needs of the children with the wider team of Governors to ensure strategic direction and support. This role enables me to work closely with the team of Governors on areas of school improvement ensuring our children receive a high-quality school experience supporting them to become 'lifelong learners'.

Background: I joined Russell Hall Primary School in November 2020 as the Deputy Headteacher. I have been teaching for 15 years working in a number of schools across Kirklees, Calderdale and Bradford. At my previous school I was the Assistant Headteacher and then the acting Deputy Headteacher for a year. Within this time, I completed my National Professional Qualification Headship (NPQH). I have taught in all Key stages across the Primary phase including Early Years. I have recently returned from maternity leave after having my first child.

Skills and areas of interest: In school I lead on Inclusion, Assessment, Pupil Premium, Personal Development and I am the Nursery Class Teacher. I also teach one day a week in our Year 1 class. My area of interest is how best to provide all children with an inclusive education and ensuring as a school we have the provision, skills and resources to do this.

Hobbies: I have three dogs and spend lots of time walking them with my daughter. We enjoy spending time together as a family and visiting different places where we can explore. In my spare time I like to read or listen to podcasts with a particular interest in materials which support inclusion and early learning.
