

Reception art

In Reception, the children enjoyed learning about the artist Pete McKee. They used the collage technique to create a penguin in the style of Pete. After we had completed our work, we sent the artist a tweet and got this amazing reply!

Incredible work!!! What a talented bunch of 4&5 year olds!!! I was happy with doing a house and a smiling sun in the corner of the page at that age 🤔 utterly brilliant ❤️

@PeteMcKee My Reception class would love to show you their amazing art work inspired by your penguins! They've loved looking at your work and wanted to share theirs with you! As I mentioned last night, I promised them I'd show it you so here it is! Not bad for 4&5 years old. 🙌👦💙
