

Year 5 Summer 1

As mathematicians, we will master statistics and shape. We will try to improve our speed and fluency with times tables.

As scientists, we will study Earth and Space and we will describe the movement of spherical bodies in our solar system - the Earth, moon and other planets and how they relate.

As geographers, we will continue our study on coastlines. We will look at how they have changed other time and how they are formed. We will also begin our study of North America.

As musicians we will continue with our Samba lessons. We are making good progress.

In fundamental British values we will look at the 5 British Values.

As readers we will look at the following themes: Picture Books Volume 2, Poetry Volume 2, Rainforests, Sia, Songs and Space. Our class book will be: 'Beetle Queen'.

In Computing we will look at managing online information.

As writers, we will uncover the book 'George's Secret Key to the Universe'. We will write a story based on the book. We will also study, 'The Extraordinary Colours of Auden Dare – Zillah Bethell'.

As athletes we will begin our swimming lessons on a Monday and in school we will learn how to play tennis.

As historians we will continue our study of the early lawmakers in Britain from the Anglo-Saxons to the present day and we will begin our study of the Ancient Egyptians.

As artists and designers we will begin to create art using photo and film.

In PSHCE we will study our rights and respect for each other.

As religious scholars, we will be learning, 'What do Christians believe about the old and new covenants?'.

As language learners we will be studying French and learning about the Olympics.
