

Year 6 Topic web Summer 2

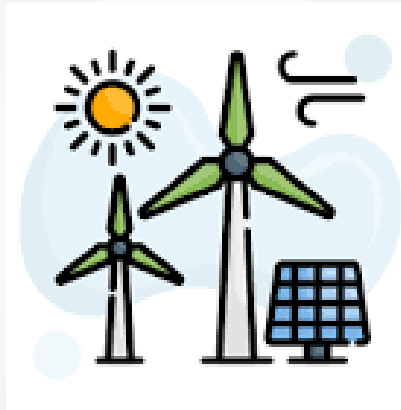

In maths, we will be working on a number of themed projects, consolidation and problem solving.

As artists we will focus on local landscapes and produce unique landscapes of our own.

In geography we will learn about renewable and non-renewable sources of energy.

In science we will learn about living things and their habitats. We will also look at some famous scientists throughout history.

In history we will recap what we have learnt at Russell Hall followed by a presentation of work covering the different eras.

In design & technology we will design and produce a playground structure.

In writing, we will be using the novel Letters from the Lighthouse as a stimulus for our independent writing. We will continue to work on spelling, grammar and punctuation.

In PE we will develop our cricket and athletics skills.
