

12th November 2025

Dear Parents and Carers,

You will be aware that Class 3 are taking part in The Linking Schools Project and our link school is Wellington Primary. In both schools, we will learn about the Amazon rainforest this year and we will meet up in person in the summer term.

To aid our learning of this unit and to enhance our meeting with Wellington Primary, I have booked a visit from Into the Wild where the children will spend time meeting creatures from the Amazon Rainforest. Throughout this day we will also be spending time getting to know our link school and sharing this exciting experience.

The event will take place on Friday 17th April 2026 at Russell Hall Primary School where Wellington Primary will travel to us.

Children will need to come to school in school uniform as normal.

The visit will take place during the normal school hours.

A packed lunch and drink will be required as we will be eating in our lunch in the outdoor classroom with Wellington Primary subject to the weather.

The PTA has kindly donated some money towards the payment for Into the Wild, leaving the total cost to parents/carers of £7.15 per child.

As always, thank you for your continued support, both the children and the adults at school look forward to this visit.

Miss Douthwaite,
Year 3 Class Teacher.
